Re: WARN Notification – 60-Day Notice of Ryder Closing

Dear Sir or Madam,

In accordance with the federal and Wisconsin Worker Adjustment Retraining and Notification Acts, we are writing to inform you of the anticipated plant closing affecting Ryder's account at W6545 Quality Drive, Greenville, WI 54942. The plant closing is expected to be permanent.

The expected date of separation of employees is December 31, 2017 and we anticipate that approximately 159 employees will be laid off on that date. There are no bumping rights applicable to the affected employees. A listing of the job titles of the impacted positions and the number of affected employees in each job classification is attached.

For further information, please contact Veronica Kihl, HR Generalist, at 920-757-7682 or Veronica_A_Kihl@Ryder.com

Sincerely,

A handwritten signature in black ink that reads "Veronica Kihl". The signature is written in a cursive, flowing style.
